Kindly take the same on your records.

Thanking you,

Yours faithfully,

FOR TWENTYFIRST CENTURY MANAGEMENT SERVICES LIMITED

COMPANY SECRETARY

Encl: as above

Anna University, L&T EduTech to offer industry oriented courses

Chennai, May 27: Anna University and L&T EduTech have entered into an agreement to offer industry-oriented courses for final-year students. The L&T EduTech has also signed a Memorandum of Understanding (MoU) with the All India Council for Technical Education (AICTE) to host its learning modules on the AICTE website and will be accessible to engineering students across the country.

A release said the conceptual learning would expose them to the tenets of professional practice from an industry standpoint, thus improving their employability quotient.

AICTE Member Secretary Prof Rajive Kumar referred to the pressing need for an industry-oriented curriculum to help young engineers to become more proficient and

UPS, InterGlobe launch new logistics brand MOVIN

Chennai, May 27: UPS, the global leader in logistics and InterGlobe Enterprises, India's trusted travel and hospitality conglomerate, announced a joint venture to launch MOVIN, a new logistics brand to serve the needs and demands of the fast-paced Indian market. The name MOVIN is a combination of Movement and India (MOVEMENT+INDIA). MOVIN will offer a range of extensiveexpress and premium service coverage across India with a strong portfolio of B2B domestic services including a day-definite, as well as express, time-definite solutions, which will give businesses better predictability and greater competitiveness to swiftly integrate into the global value chain.

"India's growth towards a \$5 trillion economy will be largely supported by the growth of local businesses and logistics which are key contributors to India's economy. I am confident that InterGlobe's deep understanding of the Indian market, combined with UPS's 114 years of logistics expertise will make this venture a success," said JB Singh, DirectorInterGlobe Enterpriseswho will oversee the new brand.

Danube Properties unveils ‘Gemz’

Chennai, May 27: Danube Properties, the UAE-based pioneer in affordable property development and one of the most dynamic private real estate developers in the UAE, today launchedGemz, a Dh350 million luxurious residential project with stunning pyramid-shaped architecture, offering spacious large homes and floor plans with unique convertible layouts so much so that 1BHK can be made into 2BHK, 2BHK into a 3BHK.

The super exclusive project Gemz comes 270 well-designed apartments loaded with 30 luxury amenities and Danube Properties' trend-setting 1 percent monthly payment plan that makes it the best affordable luxury with prices starting from Dh550,000.

Gemz by Danube will be developed in Al Furjan, a vibrant residential development located between Sheikh Zayed Road and Mohammed Bin Zayed Road. Just four minutes away from Sheikh Zayed Road, the project Gemz will be conveniently located just two minutes from the proposed metro line while Al Maktoum International Airport is also in its close proximity at a distance of merely 10 minutes. The other important landmarks of the city like Discovery Gardens and Ibn Battuta Mall are also located nearby at a distance of just four minutes and seven minutes respectively.

Pudumjee Paper Products PBT up 33%

Pune, May 27: Pudumjee Paper Products Limited (PPPL) has reported encouraging results for the year ended 31st March, 2022.

During the year ended 31st March, 2022, the Company produced 50420 MT of paper, a 15% increase over 43997 MT produced during the previous year. The Turnover for the year increased by about 27% to Rs.55526 lacs (Last year Rs.43688 lacs), and in spite of nearly 25% rise in certain input costs, it succeeded in maintaining EBITDA at Rs. 7576 lacs (Rs.7602 lacs). Total Profit Before Tax for the year ended 31st March, 2022 showed a rise of 33% and stood at Rs.4600 lacs (Rs.3470 lacs). Profit after Tax for the year stood at Rs.3453 lacs (Rs.3003 lacs).

The company manufactures various specialty papers required as input for packaging material, various food products, pharmaceutical and other products, hospital supplies, hygiene sectors, food, confectionary etc.

The Company is currently operating at about 70% of its capacity and believes that the capacity utilization should gradually improve as the economy returns to normalcy, post Covid.

Chennai, May 27: India's largest depository, National Securities Depository Limited (NSDL) launched 'Market Ka Eklavya - Express', an online investment awareness program for students that will be conducted in 8 different languages. The program would serve as a beginner's guide for investing for the youth. Some of the colleges NSDL has tied up with are Loyola College- Chennai; Varuvan Vadivelan Institute of Technology - Dharmapuri; Bon Secours College for Women -Thanjavur; PSR Engineering College - Virudhunagar/Sivakasi amongst others.

To mark the significance of Azadi Ka Amrit Mahotsav, an initiative of Government of India to celebrate 75 years of independence and the glorious history of our people, culture and achievements, NSDL has launched a

new initiative towards investor awareness 'Market Ka Eklavya - Express' across 75 cities, especially aimed at the college students who would very soon be entering the phase where they would start earning and naturally, look for avenues of investment.

Earlier this month,

Chennai, May 27: One97 Communications Limited that owns the brand Paytm, India's leading digital payments and financial services company, announced that there has been a sharp increase in flight ticket bookings through the Paytm app led by a surge in domestic and international travel as travel restrictions ease up globally.

The company shared interesting trends for air travel ticketing through its app. During mid-January to April 2022, Paytm

app saw a higher than 50% increase in daily booked customers despite soaring airfares. This is also accompanied by a sharp drop in ticket cancellations, down to 6% currently from 22% in mid-January. In addition, at least 35% of daily ticket bookings on the Paytm app have travel dates beyond 15 days, up from 23% in January, reflecting stronger customer confidence.

The company also saw higher demand for domestic leisure travel during

Chennai, May 27: Watergen, an Israel-based company which has successfully developed technology that generates drinking water from the air, today announced its strategic joint venture with SMV Jaipuria Group—a multifaceted business conglomerate, to bring its global patented technology to India. Through this partnership, the entities will introduce its Atmospheric Water Generators (AWG) product categories in India—that creates high quality, mineralized, safe-drinking water out of ambient air, everywhere. Additionally, to support the Government's 'Make in India' vision by proliferating job opportunities, the companies shared their plans to launch a manufacturing unit in India within a year of starting operations.

The company showcased its wide range of Watergen products, consisting of: GENNY,

Watergen, SMV Jaipuria introduce water-from-air technology products

Chennai, May 27: Watergen, an Israel-based company which has successfully developed technology that generates drinking water from the air, today announced its strategic joint venture with SMV Jaipuria Group—a multifaceted business conglomerate, to bring its global patented technology to India. Through this partnership, the entities will introduce its Atmospheric Water Generators (AWG) product categories in India—that creates high quality, mineralized, safe-drinking water out of ambient air, everywhere. Additionally, to support the Government's 'Make in India' vision by proliferating job opportunities, the companies shared their plans to launch a manufacturing unit in India within a year of starting operations.

The company showcased its wide range of Watergen products, consisting of: GENNY,

cities, temporary localities, villages, residential buildings, homes, offices and any other place where drinking water is required. Its plug and play technology can be easily installed using a standard electricity connection or any alternative energy sources. With devices deployed in more than 90+ countries around the world, Watergen eliminates the need for infrastructure, transporting water and its commuting traffic, which eventually reduces plastic waste and eradicates carbon-intensive water supply systems.

Maayan Mulla, CEO of Watergen India, said, "India is amongst our top three strategic markets and together with our partner, we are determined to provide safe mineralized drinking water available for every individual, across geographies and
