MI prevail vs GT in high-octane eliminator

Chandigarh, May 31: A throwback to Rohit Sharma's vintage flair and a last-over blitz from skipper Hardik Pandya fired Mumbai Indians into Qualifier 2 of IPL 2025 with a 20-run win over Gujarat Titans in a high-octane Eliminator at the Maharaja Yadavindra Singh International Cricket Stadium here on Friday.

Under pressure in a knockout clash, MI came out swinging. Choosing to bat first, they racked up a towering 228 for 5, thanks to Rohit's authoritative 81 off 50 balls, an innings that stitched together finesse and fire-power, and a death-over assault led by Hardik, whose three monstrous sixes in the final over turned a strong total into an imposing one.

In reply, Gujarat never quite recovered from an early jolt and despite a valiant 80 by young Sai Sudharsan, they could only muster 208 for 6 in their 20 overs. Mumbai bowlers, spearheaded by Trent Boult and supported by Jasprit Bumrah's precision, kept their composure under pressure and sealed the deal.

Rohit, who had been quiet this season, rose to the occasion when it mattered most. The former MI captain unfurled nine crisp boundaries and four effortless sixes, bringing up his 47th IPL fifty and becoming only the second player after Virat Kohli to breach the 7000-run barrier in IPL history.

Jonny Bairstow (47 off 28) gave MI a rousing start with a flurry of boundaries, and though he fell to a stunning boundary-line relay catch between Sai Kishore and Gerald Coetzee, MI's momentum never waned. Suryakumar Yadav (33 off 20) and Tilak Varma (25 off 11) played with freedom, allowing Rohit to anchor while the middle order swung freely.

The fireworks arrived in the final stretch. Tilak Varma smashed a 93-metre six off Mohammed Siraj before falling, setting the stage for Hardik's entry. The MI captain walked in with clear intent and exploded in the last over, bowled by Coetzee, sending one sailing over the sight-screen before dispatching two more sixes into the stands en route to 22 runs in that over alone.

Faced with a steep target, GT lost captain Shubman Gill early to a Boult inswinger. Kusal Mendis (20) and Washington Sundar (48 off 24) tried to rebuild, with Sundar particularly impressive in counterattack, but regular wickets derailed their chase.

Sai Sudharsan, unflustered at one end, played a fine hand, his 80 off 49 balls included ten fours and a six, but lacked meaningful support in the slog overs. Cameos from Sherfane Rutherford (24), Shahrukh Khan (13), and Rahul Tewatia (16 not out) narrowed the gap, but the required rate kept climbing as Mumbai closed in with disciplined bowling.

Trent Boult (4-0-56-2) struck key blows, while Bumrah (4-0-27-1) choked the flow at the death. Ashwani Kumar, Richard Gleeson and Mitchell Santner chipped in with a wicket each.

Adding to Gujarat's woes was their sub-par fielding, Kusal Mendis grassed a sitter and Coetzee dropped a tough but crucial chance, both reprieves to Rohit and Suryakumar that cost them dearly. Mumbai's fielding, in contrast, was sharp and assured.

With this win, MI, who have now crossed 200-plus for the third time this season, march into Qualifier 2, where they will meet Punjab Kings, who went down to Royal Challengers Bengaluru in Qualifier 1.

Green Field CA wins Freyer LMCA U-16 Trophy

Chennai, May 31: Green Field Cricket Academy lifted the 19th Freyer International Logistics-LMCA U-16 Trophy with a commanding 23-run win over Little Masters CA in an exciting final.

Batting first, Green Field posted a strong 170/6 in 25 overs, powered by a classy 51 from B. Sanjai and a solid 38 by C. Roshan. In response, Little Masters fought hard with Kaushith Krishna's unbeaten 47 and 37 runs each from B. Vidyuth Krishna and A.L. Viswajith, but were restricted to 147/7, thanks to a sharp spell from S. Naren who took 3/32.

Not Just Another Masala Dosa..!

It was one of the strangest sights I've ever seen. No, not a politician paying his electricity bill, or a traffic cop refusing a bribe—though those would rank quite high on the “Miracles List.” This was something simpler. I was down South for a wedding. A grand affair. The kind where even the flower arrangements looked like they were waiting to burst into song.

The food, of course, was a spectacle by itself. A full gastronomical parade from every part of India—Biryani that could make a Nawab weep, Chole Bhature that defied gravity, Appam and stew that flirted with your diet, and a dessert table that looked like it had just walked out of a dream sequence from a Bollywood movie.

But in the middle of this United Nations of food, there it stood. The Masala Dosa stall. And around it? A crowd so thick, it looked like Virat Koli had decided to hand out autographs while flipping dosas.

“But... but they must have eaten the same dosa in the morning!” I said, my voice trembling with the innocence of someone who clearly didn't know better.

“Not the same,” said my friend, eyes twinkling. “This is fantastic.”

And that, dear reader, was my moment of revelation.

We often live under the illusion that new is always better. That exotic must be more exciting. That if you serve something from halfway across the globe, people will fall at your feet in gratitude and gluten intolerance. So we stretch ourselves—adding pineapple to biryani, chocolate to samosas, and sugar to our relationships.

But the truth is something else entirely.

It's not about being new. It's about being good. Even great. It's about making the same thing better.

You know what people crave? A masala dosa that's crisp on the outside, soft on the inside, with potato filling that whispers secrets of turmeric and mustard seeds, and chutney that makes your taste buds do the bhangra.

Choirs do it too. They sing the same carols every Christmas. Yet people show up year after year, not because the songs have changed, but because the harmony has deepened, the voices have matured, and the feeling hits home harder than ever before.

So why are we trying so hard to be different?

In our homes, in our jobs, in our attempts to do “something for the world,” maybe it's not always about inventing the next big thing. Maybe it's about loving better, listening harder, and showing up more. Maybe it's about doing the same things—but with more sincerity, more joy, more spice.

Like that dosa.

Not just another masala dosa. But the best one they'd had all day.

So here's to doing the same old thing, but better. And to making people queue up—not because it's new, but because it's right...!
